Dear Jenny

Thank you very much for your kind donation of £4,323.93. Please pass on our sincere thanks to everyone in the association for their continued support.

Every year 40,000 children in the UK are left with a brain injury as a result of an accident or illness and it can be devastating – they may no longer be able to walk, talk, stand, sit, or feed themselves – sometimes they lose all these abilities.

At The Children's Trust, we aim to help rebuild as many of their skills as possible, as well as their self-esteem. A child's confidence is central to that relearning.

We help children do this through play, exploration, laughter and having fun; things that are often absent when a child has limited mobility or has had a challenging time. By combining music, singing, arts and crafts, day trips and other activities, with therapy, healthcare and education, children do not focus on what they cannot do, they just do it and have fun.

Your support will enable us to help more children to live their best life possible.

Yours sincerely

Tracy Poulton
